The road to Child friendly Community

The action plan (2015 - 2018)

The action plan is the result of the following activities:

- Self-evaluation of the administration (what has been done up to now?)
- Children questionnaire (distributed in various schools)
- Participation procedures with children and youth (workshops, expeditions)
- Consultation with the association "Kinderfreundliche Kommunen e. V." and experts
- Recommendation for the action plan
The measures of the action plan contain two main categories:

A. Anchoring the participation of children and youth in governance

B. Space in the public sphere
A. Anchoring the participation of children and youth in governance:

Shown in the measures

- Creating a mission statement and guidelines
- Establishment of an internal administrative control group
- Training for employees
- Setting up a focal point for children and young people
- Creation of a budget for youth
The road to Child friendly Community

B. Space in the public sphere

Children and young people claim their public space to play, to meet or to do sports.

Shown in the desires for

• Use areas as playing fields ✓
• “Street Workout-Park” ✓
• Meeting / shelter for teens ✓
• Offer to do sport at night ✓
